Servers and acolytes are expected to honor the following commitments. These commitments are intended to encourage their full, conscious, and active participation in the Mass as well as project a reverent attitude toward God, church, and parishioners.

1. I will attend mass weekly.
2. I will participate during mass by responding to the prayers and singing.
3. I will act in a reverent manner (e.g. maintaining silence, proper posture, proper clothing, etc.)
4. I will learn and carry out my responsibilities.
5. I will arrive promptly and help set up for mass.
6. I will hang up my alb.
7. I will maintain satisfactory participation (having fewer than two uncovered assignments in one year) and that if I do not I will no longer be assigned as a server or acolyte.
8. If I cannot make my assigned mass, I will find a substitute.
9. My parents and/or I will learn to use the St. Timothy website scheduling software and I will let the parish know when I am not available to serve.
10. I understand that I may be assigned to a mass other than my first choice, including: 7:30 Sunday Mass, Saturday weddings, and 7:30 weekday Mass. (Non-St. Timothy students will be assigned to daily mass during Christmas, Easter, and Summer vacations. Unavailability during these times will result in disqualification from the yearly field trip.)

Parents are expected to help their daughter or son abide by these commitments and provide the assistance necessary to help them meet them.

I understand and agree to these commitments.
